# Cost Effective, Professionally Guided Outplacement

## Learn more about our outplacement solutions.

Olivera Coaching & Consulting helps organisations maintain a positive employer brand, save costs, and set exiting/tenured employees for success by providing best-in-class outplacement support.

We offer the same benefits as traditional outplacement firms but with more affordable options. Our competitive pricing allows every organisation to offer outplacement to EVERY employee who leaves.

Our programs are designed to be effective and personalised. Our services include:

### 1. Job search resources and guidance

From resume template and interview preparation to one-on-one career coaching.

### 2. Resume review and editing

Our resume outcomes are exceptional and provided by an executive coach and job search strategist.

### 3. LinkedIn profile editing and optimisation

This service ensures greater employee visibility and "searchability" online.

### 4. Free e-book, 'Fast-Track Job Search' by Olivera Andelkovic.

We consider the  
entire experience:

### The process for our clients is simple:

**1**

Once the optimal program for your exiting/tenured employees has been identified, we will provide information letters about the program for employers to include in severance/separation packages.

**2**

Clients provide Olivera Coaching & Consulting with their employees' names and email addresses. Upon receipt of the email list, a client invoice is issued.

**3**

We will contact employees 48 business hours after receiving their information to get them started with career transition support.
